# BOXING GLOVES

Developed by professionals for future professionals. The best materials and perfect manufacturing are synonymous with premium class.

The new HAMMER boxing line. Unconventional, unique and untamed!

- robust & long-lasting
- high-quality, sweat-resistant material
- maintenance of the fit
- preformed glove unit
- ergonomic wearing comfort
- no padding movement at the point of impact
- special 3-layer padding
- double-stitched on the inside area for stable form and longevity
- outer hand padding for self-protection in hand guard fighting positions
- fully encircling wrist protection to avoid injuries
- wrist stabilisation for excellent power punching development
- wrist sprain is minimised with thick padded protection

- closed pad and glove unit for complete protection of the palm
- ideal thumb fit
- reinforced
- continuous seam
- protection against twisting of thumb
- prevention of capsule injuries
- embedded air holes for heat dissipation; fresh air flows into the glove more evenly
- padding on palm of hand for better punching power development, prevents injuries of the metacarpal bone
- high-quality, extra wide Velcro fastener for a secure hold and a long life

## WHAT ARE THE HAMMER BOXING LEVELS?

### LEVEL 3 / FIGHT

Developed by boxing professionals for professionals – Level 3 boxing gloves from HAMMER BOXING represent pure performance! Using the best materials and innovative detail-oriented solutions, HAMMER BOXING has been able to create long-lasting boxing gloves for an ideal power transfer, ensuring safety and performance like no other product.

### LEVEL 2 / TRAINING

Level 2 HAMMER BOXING gloves speak for themselves. New detail-oriented solutions make a powerful statement. Technical and optical highlights guarantee a long life product. These gloves are, unmistakably, the ideal combination of boxing professionalism and fun from the very first moment they are put on.

### LEVEL 1 / FITNESS

„Fun with boxing“ This is what level 1 boxing gloves from HAMMER BOXING represent. The boxing gloves have a sporty, robust design which combines emotion with a personal touch. Attention to detail in the right places guarantees long-lasting training fun!

# BOXING GLOVES

**Premium FIGHT** Level 3 / Fight

The ultimate leather fight boxing glove. Training under realistic match conditions while minimizing the risk of injury - PREMIUM boxing gloves are perfectly suited for this purpose. The back of the glove offers plenty of coverage, and special padding optimally protects the carpal bone. Wrist sprain injury and early tiring of the hand and forearm are therefore also reduced to a minimum.

PREMIUM FIGHT		
Size	Colour	Art.-No.
10 oz	black/white	94710
12 oz	black/white	94712
14 oz	black/white	94714
16 oz	black/white	94716

**Premium Training** Level 2 / Training

Perfect for beginners as well as advanced learners. The PREMIUM Training boxing gloves are made of durable PU material with many special features like the premium class glove: Pre-shaped padding, stitched-on thumbs, ventilation and a Velcro strap for wrist stabilisation. The HAMMER mesh material guarantees comfortable training conditions inside the boxing glove!

# Free Fight Gloves

### PUNCH Level 2

The Punch bag gloves are made of robust cowhide and have been specifically developed for training on equipment. The padding is light-weight and thin but still protects against skin-abrasion even during intensive training. Because of the lighter padding, the glove is extremely long-lasting, durable and keeps its original form. Perfect for years of training fun on bags, pads and speed balls.

PUNCH		
Size	Colour	Art.-No.
S - M	black	93210
L - XL	black	93211

### MMA Fight II Level 3

Focused on the essentials - light-weight and maximum reliability. High-quality preformed glove minimizes fatigue. The open inner hand area guarantees optimal control and full grip. 100% buffalo hide with extra strong stitching and wrist bands.

MMA FIGHT II		
Size	Colour	Art.-No.
S	black/white	95520
M	black/white	95521
L	black/white	95522
XL	black/white	95523

### Premium MMA Level 3

The Premium MMA bag gloves are open-finger gloves that are suitable for punch practice and for holding and gripping techniques. These Premium MMA leather gloves are made of high-quality buffalo hide and are secured with a wide velcro strip over the wrists. The Velcro acts like a bandage wrapped twice around the wrists, therefore providing protection and flexibility.

# Training Bags

# PREMIUM

## Premium Leather Professional

Train your endurance and punching power with a partner who will never give up. The Premium Professional punching bag is made of robust and long-lasting cowhide and filled with assorted padding material. Chromed steel chains and rotating swivels provide a centrally stabilised hanging position, which also reduces the risk of injury while punching and subsequent material damage.

PREMIUM LEATHER PROFESSIONAL		
Length / cm	Colour	Art.-No.
100	black	92710
120	black	92712

## Premium Leather

The Premium leather punch bag is very solid, robust and always ready for use. Thanks to the chrome-plated steel chains and rotating swivel, the punch bag remains centred and stable even in rotational movement. This avoids chain twisting and therefore prevents material damage.

PREMIUM LEATHER		
Length / cm	Colour	Art.-No.
100	black	92910
120	black	92912
150	black	92915

## Artificial leather Black Kick / White Kick

The Black Kick / White Kick artificial leather punching bags are solid, robust and ready to use. Thanks to the chrome-plated steel chains and rotating swivel, the punch bag remains centred and stable even in rotational movement. The Japanese Cordley material is easy to maintain and, thanks to its robustness, has proved itself to be ideal for long-term use.

# MOUNTS

## Wall mount for training bags

The 2-part wall mount for punching bags is made of stable, hardened rectangular tubing (30 mm). The extra long extension arm (90 cm) provides a large space in which to train. Professional punch bag training in the comfort of your own home. Secured with 4 screws, the mount guarantees safe training.

WALL MOUNT FOR TRAINING BAGS		
Material	Colour	Art.-No.
steel	black	92811

## Ceiling mount for training bags

The ceiling hook for punch bags is made of chromate steel and has a thick suspension loop to provide optimal security of the bags. Even under the toughest training conditions, the punching bag will not slip from the loop. Safe boxing training at home is guaranteed!

CEILING MOUNT FOR TRAINING BAGS		
Material	Colour	Art.-No.

# Freestanding Bags

## PREMIUM

### PERFECT PUNCH

You can set the Perfect Punch freestanding bag up anywhere and intensively train all boxing techniques. The large stand with a diameter of 55 cm can be filled with water, sand or gravel and will not fall over even with the hardest of punches. The three different height adjustment levels (160 174 and 192 cm) allow you to set the height of the Perfect Punch to your physical size. The freestanding bag is very solid and is made of easy-to-clean PU material.

PERFECT PUNCH			
Length / cm	Base	Material	Art.-No.
160/ 174/ 192	Ø 55 cm	PU	92620

### SPARRING PRO/ IMPACT PUNCH

Whether indoors or outdoors, in the office or in the cellar, the Impact Punch freestanding bag can be set up anywhere. Filled with water, sand or gravel, its large stand, 55 cm in diameter, prevents the bag from being toppled, even by the hardest punch. The three different height adjustment levels allow you to adjust the height of the Perfect Punch to your physical size. The freestanding bag is very solid and is made of easy-to-clean PU material. The large target area of the freestanding bag is designed to handle many punch and kick combinations on a one-to-one basis.

# Training Accessories

# STRIKE PADS

## Focus Mitts

HAMMER BOXING Focus Mitts are made of soft cowhide leather and are perfect for boxing training with a partner. The back features individually sewn tight-fitting finger pockets and a wrist strap with Velcro fastening for an optimum fit.

FOCUS MITTS (PAIR)		
Material	Colour	Art.-No.
leather	black/white	85035

## Thai Pads

The multi-layer 11 cm-thick filled material provides the best shock absorption in all areas and excellent protection from multiple kicks and punches. Two Velcro fasteners secure the shock pads and are very well fixed with an optimal handling. The target area is 40 x 19 cm and suitable for all strike and kick techniques.

THAI PADS			
Material	Dimensions / cm	Colour	Art.-No.
leather	40 x 19 17,5 x 11	black/white	85038

# SKIPPING ROPES

## FIT

Rope work is the classic warm-up training of any boxer. The Fit skipping rope can be adjusted up to 3 m. Plastic handles guarantee a good grip. A steel core inside the PVC-rope ensures wonderfully smooth movements. With the Fit skipping rope, you can improve your explosive and plyometric strength during training as well as your upper body definition. Fits in every bag and is perfect for use almost everywhere.

FIT		
Length	Material	Art.-No.
< 3 m adjustable	PVC	84502

## PROFI

The classic warm-up exercise with the Profi skipping rope made of PVC coated steel is great preparation for the physical stress of boxing. The skipping rope is adjustable up to 3 m and consists of a steel core for perfectly smooth movements. Additional weights (in total 500 g, sold separately) can be easily inserted into the handles for more intensive workout sessions.

PROFI		
Length	Material	Art.-No.
< 3 m adjustable	PVC / Steel	84503

## Additional weights for skipping rope PROFI

The additional weights, each 250 g in weight, made of steel, intensify your warm-up training with the sProfi skipping rope. Perfect for all boxers who want more.

ADDITIONAL WEIGHTS FOR SKIPPING ROPE PROFI		
Weight	Material	Art.-No.
250 g / piece	Steel	84504

## BANDAGES

### ELASTIC

The boxing bandages material is elastic and perfectly fits to your hand. Wrist, thumb and finger joints are optimally protected and provide additional support. The boxing bandages are 3.5 m in length and are worn underneath the glove. They absorb sweat effectively and optimize the durability of your boxing gloves. Includes thumb loop for an easier and improved fit.

ELASTIC		
Length	Colour	Art.-No.
2,5m	black	89106
	white	89108
3,5m	black	89110
	white	89112
4,5m	black	89116
	white	89118

### EASY FIT

The Easy fit boxing bandages are an innovative hand bandage. Just like a glove, it is easy and quick to put on with all the advantages of a conventional bandage. Special padding in the knuckle area prevents injuries. The supplementary 2.5 m long elastic bandage stabilizes the wrist. The odour resistant material is machine washable without losing elasticity.

EASY FIT		
Size	Colour	Art.-No.
S - M	black	89224
L - XL	black	89225

# GUM SHIELDS

## Gum Shield Standard

Single layer mouthguard, packed in a plastic bag. Single layer mouthguards are particularly recommended for sports requiring helmets or with comparatively low levels of force.

GUM SHIELD STANDARD		
Material	Colour	Art.-No.
plastic	white	88032

## Gum Shield Level 2

The two-stage mouthguards are moulded from 2 layers of protective material. The durable outer layer provides good absorption of force. A soft inner layer ensures a high fit and provides additional protection and comfort. The 2-level mouthguard is suitable for higher levels of force.

GUM SHIELD LEVEL 2		
Material	Colour	Art.-No.
plastic	white	88033

## Gum Shield Level 3

Particularly high-quality mouthguard for Level 3 with plastic box. Attractive design and best protection especially in full contact. The underside is made of particularly durable material to prevent biting through and also absorb hard levels of high impact well.

GUM SHIELD LEVEL 3		
Material	Colour	Art.-No.
plastic	white	88034

## Gum Shield Box

Transparent storage box for your mouthguard. Store your mouthguard hygienically in this handy case, cleanly and neatly and keep it accessible with the plastic loop.

GUM SHIELD BOX		
Material	Colour	Art.-No.
plastic	white	88035

# HEAD AND GROIN PROTECTION

## SPARRING

First-class workmanship and the use of high-quality cowhide ensures a premium product. This head guard is handcrafted and can be adjusted to the right size with the attached cord. The wide Velcro fastening in the back can easily be opened and closed, even when wearing gloves. The non-slip textured leather on the inside guarantees a perfect fit in extreme training situations. The chin guard not only protects but also prevents the head guard from slipping off during training. The face area can be adjusted to be worn in all training situations.

SPARRING			
Size	Material	Colour	Art.-No.
S - M	leather	black/white	87014
L - XL	leather	black/white	87015

## Groin Pad

The groin pad with hard cup protects what needs to be protected. After boxing training, the hard cup can be easily removed from the groin pad. The groin pad is made of elastic cotton and can be machine washed.

GROIN PAD				
Size	Cup	Material	Colour	Art.-No.
S - M	14 x 9 cm	cotton, elastic	white	89040
L - XL	17 x 11 cm	cotton, elastic	white	89041
